Dear Marc Bourget:

The Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) has reviewed the results of the special visit and determined that King Mongkut's Institute of Technology Ladkrabang International Demonstration School's candidacy is now reaffirmed through the current accreditation cycle ending on June 30, 2024. However, this includes a follow-up progress report on the identified critical areas for follow-up and a visit during 2022-2023, including an in-person visit to the new dormitory that is scheduled to open in August 2022.

Accreditation status is conditioned upon King Mongkut's Institute of Technology Ladkrabang International Demonstration School's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to King Mongkut's Institute of Technology Ladkrabang International Demonstration School's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education. If there are any questions, please contact Dr. Marilyn George, executive vice president, at mgeorge@acswasc.org.

Sincerely,

Barry R. Groves, Ed.D.
President
